Dear Friends,

Please join us on Friday, September 29, at the Crowne Plaza in Cherry Hill, N.J. for a special evening celebrating the 50-year anniversary of Respond, Inc. and honoring three visionary leaders – Co-Founders the Rev. Dr. Charles Sayre, Dr. Wilbert Mitchell and the Rev. Dr. Stanley Menking.

Since its establishment in 1967, Respond has been helping people in Camden and South Jersey help themselves.

- People like Norman Hart, who was homeless for years and now has a place of his own thanks to the PATH Living Room Program at Respond.
- People like Robert Moore who after being released from jail graduated from Respond's Culinary Arts Job Training program and became an assistant manager at a popular local eatery.
- People like LaToya Jones, who found her passion for medicine as a teen working in a pediatrician's office as part of Respond's Summer Youth Employment Program and is now head nurse at Respond, taking care of more than 400 children across the organization's 12 infant and childcare centers.
- And people like Freddi Alford, a recent graduate of Respond's Automotive Technology Job Training Program and now an intern at a leading auto manufacturing company.

These are just some of the quarter million people Respond has helped over the past five decades since its growth as a small day care center serving working families in North Camden to the critical social service organization it is today.

**You can help ensure Respond's legacy continues by joining as a sponsor of the 50<sup>th</sup> Anniversary celebration and reserving your tickets now.**
